

Zehirut International is a security solutions company, committed to helping our clients achieve their full potential in an era of ever-changing risk and vulnerable environments.

Our company is part of Zehirut Group, a family-owned company that has provided groundbreaking expertise to governments and corporations in Latin America for over 20 years. We provide security risk management, crisis response, intelligence, training, secure logistics, and cyber security analysis to governments entities and private customers. As regional leaders in the field, Zehirut adheres to the highest standards of quality, ethics and integrity.
